Cancellation after November 1, 2026: 0 % refunded

- All participants will be asked to take a rapid test the first day of our tour.
- If you test positive for COVID while on the retreat you will be required to isolate for the recommended time according to CDC guidelines. You will likely need to move to a hotel in Whitehorse at your own expense.

- *If you become sick and require hospitalization during the tour you must have a contact person back home who can help navigate your health needs. If you become seriously ill they must be willing and able to travel to Canada to assist you.*
- *Please make sure you get a health insurance policy that covers COVID related medical costs.*
- *We strongly recommend getting trip cancellation insurance in case you have to cancel for any reason*
- *The retreat is non-refundable if you can't travel due to a COVID related or other illness.*
